

**DATA PROCESSING ADDENDUM
(GDPR and EU Standard Contractual Clauses)**

(Rev. 15 May 2018)

This Data Processing Addendum (“DPA”) forms part of the Master Subscription Agreement or other written or electronic agreement between FinancialForce (“FF”) and Customer for the purchase of online services (including associated FF offline or mobile components) from FF (identified either as “Services” or otherwise in the applicable agreement, and hereinafter defined as “Services”) (the “Agreement”) to reflect the parties’ agreement with regard to the Processing of Personal Data.

By signing the Agreement, Customer enters into this DPA on behalf of itself and, to the extent required under applicable Data Protection Laws and Regulations, in the name and on behalf of its Authorized Affiliates, if and to the extent FF processes Personal Data for which such Authorized Affiliates qualify as the Controller. For the purposes of this DPA only, and except where indicated otherwise, the term "Customer" shall include Customer and Authorized Affiliates. All capitalised terms not defined herein shall have the meaning set forth in the Agreement.

In the course of providing the Services to Customer pursuant to the Agreement, FF may Process Personal Data on behalf of Customer. FF agrees to comply with the following provisions with respect to any Personal Data submitted by or for Customer to the Services, collected by or for Customer using the Services and/or and Processed in the provision of the Services.

HOW TO EXECUTE THIS DPA:

1. This DPA consists of two parts: the main body of the DPA, and Schedules 1, 2, and 3 (including Appendices 1 to 3).
2. This DPA has been pre-signed on behalf of FF. The Standard Contractual Clauses in Schedule 3 have been pre-signed by FinancialForce.com, Inc. as the data importer.
3. To complete this DPA, Customer must:
 - a. Complete the information as the data exporter on pages 10 and 16.
 - b. Complete the information in the signature box and sign on pages 7, 15 and 17.
4. Send the completed and signed DPA to FF at privacy@financialforce.com. Upon receipt of the validly completed DPA by FF at this email address, this DPA will become legally binding.

HOW THIS DPA APPLIES

If the Customer entity signing this DPA is a party to the Agreement, this DPA is an addendum to and forms part of the Agreement. In such case, the FF entity that is party to the Agreement is party to this DPA.

If the Customer entity signing this DPA has executed an Order Form with FF or its Affiliate pursuant to the Agreement, but is not itself a party to the Agreement, this DPA is an addendum to that Order Form and applicable renewal Order Forms, and the FinancialForce entity that is party to such Order Form is party to this DPA.

If the Customer entity signing this DPA is neither a party to an Order Form nor the Agreement, this DPA is not valid and is not legally binding. Such entity should request that the Customer entity that is a party to the Agreement execute this DPA.

This DPA shall not replace any comparable or additional rights relating to Processing of Customer Data contained in Customer’s Agreement (including any existing data processing addendum to the Agreement).

- 2.2 Customer’s Processing of Personal Data.** Customer shall, in its use of the Services, Process Personal Data in accordance with the requirements of Data Protection Laws and Regulations. The duration of the Processing, the nature and purpose of the Processing, the types of Personal Data and categories of Data Subjects Processed under this DPA are further specified in Schedule 2 (Details of the Processing) to this DPA.

3. RIGHTS OF DATA SUBJECTS

- 3.1 Data Subject Request.** FF shall, to the extent legally permitted, promptly notify Customer if it receives a request from a Data Subject to access, correct or delete that person's Personal Data or if a Data Subject objects to the Processing thereof ("Data Subject Request"). FF shall not respond to a Data Subject Request without Customer's prior written consent except to confirm that such request relates to Customer to which Customer hereby agrees. To the extent Customer, in its use of the Services, does not have the ability to address a Data Subject Request, FF shall upon Customer's request provide commercially reasonable assistance to facilitate such Data Subject Request to the extent FF is legally permitted to do so and provided that such Data Subject Request is exercised in accordance with Data Protection Laws and Regulations. To the extent legally permitted, Customer shall be responsible for any costs arising from FF's provision of such assistance.
- 3.2 Data Subject Request.** With effect from 25 May 2018, the following wording will replace Clause 3.1 ("Data Subject Request") in its entirety: *Data Subject Requests. FF shall, to the extent legally permitted, promptly notify Customer if FF receives a request from a Data Subject to exercise the Data Subject's right of access, right to rectification, restriction of Processing, erasure ("right to be forgotten"), data portability, object to the Processing, or its right not to be subject to an automated individual decision making ("Data Subject Request"). Taking into account the nature of the Processing, FF shall assist Customer by appropriate technical and organizational measures, insofar as this is possible, for the fulfilment of Customer's obligation to respond to a Data Subject Request under Data Protection Laws and Regulations. In addition, to the extent Customer, in its use of the Services, does not have the ability to address a Data Subject Request, FF shall upon Customer's request use commercially reasonable efforts to assist Customer in responding to such Data Subject Request, to the extent FF is legally permitted to do so and the response to such Data Subject Request is required under Data Protection Laws and Regulations. To the extent legally permitted, Customer shall be responsible for any costs arising from FF's provision of such assistance.*
- 4. FF PERSONNEL**
- 4.1 Confidentiality.** FF shall ensure that its personnel engaged in the Processing of Personal Data are informed of the confidential nature of the Personal Data, have received appropriate training on their responsibilities and have executed written confidentiality agreements. - 4.3 Limitation of Access.** FF shall ensure that FF's access to Personal Data is limited to those personnel who require such access to perform the Agreement.
- 4.4 Data Protection Officer.** Members of the FF Group will appoint a data protection officer where such appointment is required by Data Protection Laws and Regulations. The appointed person may be reached at privacy@financialforce.com.
- 5. SUB-PROCESSORS**
- 5.1 Appointment of Sub-processors.** Customer acknowledges and agrees that (a) FF's Affiliates may be retained as Sub-processors; and (b) FF and FF's Affiliates respectively may engage third-party Sub-processors in connection with the provision of the Services. FF or a FF Affiliate has entered into a written agreement with each Sub-processor containing data protection obligations not less protective than those in this DPA with respect to the protection of Customer Data to the extent applicable to the nature of the services provided by such Sub-processor.
- 5.2 List of Current Sub-processors and Notification of New Sub-processors.** A current list of Sub-processors for the Services, including the identities of those Sub-processors and their country of location, is accessible [here](#) ("**Sub-processor Lists**"). Customer may receive notifications of new Sub-processors and updates to existing Sub-processors by [subscribing for updates](#) and if a Customer contact subscribes, FF shall provide the subscriber with notification of new Sub-processor(s) before authorizing such new Sub-processor(s) to Process Personal Data in connection with the provision of the applicable Services ("**Updated Sub-processor List**").
- 5.3 Objection Right for New Sub-processors.** Customer may object to FF's use of a new Sub-processor by notifying FF in writing within ten (10) business days after receipt of an Updated Sub-processor List. In the event Customer objects to a new Sub-processor, as permitted in the preceding sentence, FF will use commercially reasonable efforts to make available to Customer a change in the Services or recommend a commercially reasonable change to Customer's configuration or use of the Services to avoid Processing of Personal Data by the objected-to new Sub-processor without unreasonably burdening the Customer. If FF is unable to make available such change within a reasonable period of time, which shall not exceed thirty (30) days, Customer may terminate the applicable Order Form(s) with respect only to those Services which cannot be provided by FF without the use of the objected-to new Sub-processor, by providing written notice to FF. FF will refund to Customer any prepaid fees covering the remainder of the term of such Order Form(s) following the effective date of termination with respect to such terminated Services, without imposing a penalty for such termination on Customer.

5.4 Liability. FF shall be liable for the acts and omissions of its Sub-processors to the same extent FF would be liable if performing the services of each Sub-processor directly under the terms of this DPA, save as otherwise set forth in the Agreement.

6. SECURITY

6.1 Controls for the Protection of Personal Data. FF shall maintain administrative, physical and technical safeguards designed for protection of the security (including protection against unauthorized or unlawful Processing and against accidental or unlawful destruction, loss or alteration or damage, unauthorized disclosure of, or access to, Customer Data), confidentiality and integrity of Customer Data, including Personal Data, in accordance with Appendix 2 to Schedule 3 (Standard Contractual Clauses). FF will not materially decrease the overall security of the Services during a subscription term.

6.2 Attestations/Certifications. Upon Customer's written request no more frequently than once annually, FF shall provide to Customer a copy of FF's then most recent security attestations and/or certification(s) in place for the Services, e.g. a SOC 1 report. FF may require Customer to sign a nondisclosure agreement reasonably acceptable to FF before FF provides a copy of such security attestations/certification(s) to Customer.

7. SECURITY BREACH MANAGEMENT AND NOTIFICATION

FF maintains security incident management policies and procedures and shall notify Customer without undue delay after becoming aware of the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to Customer Data, including Personal Data, transmitted, stored or otherwise Processed by FF or its Sub-processors of which FF becomes aware (a "**Customer Data Incident**"). FF shall make reasonable endeavours to identify the cause of such Customer Data Incident and take those steps as FF deems necessary and reasonable in order to remediate the cause of such a Customer Data Incident to the extent the remediation is within FF's reasonable control. The obligations herein shall not apply to incidents that are caused by Customer or Customer's Users.

8. RETURN AND DELETION OF CUSTOMER DATA

FF shall return Customer Data to Customer and, to the extent allowed by applicable law, delete Customer Data in accordance with the procedures and timeframes specified in the Agreement.

9. AUTHORIZED AFFILIATES

9.1 Contractual Relationship. The parties acknowledge and agree that, by executing the Agreement, Customer enters into the DPA on behalf of itself and, as applicable, in the name and on behalf of its Authorized Affiliates, thereby establishing a separate DPA between FF and each such Authorized Affiliate subject to the provisions of the Agreement, this Clause 9, and Clause 10 below. Each Authorized Affiliate agrees to be bound by the obligations under this DPA and, to the extent applicable, the Agreement. For the avoidance of doubt, an Authorized Affiliate is not and does not become a party to the Agreement, and is only a party to the DPA. All access to and use of the Services by Authorized Affiliates must comply with the terms and conditions of the Agreement, and any violation of the terms and conditions of the Agreement by an Authorized Affiliate shall be deemed a violation by Customer.

9.2 Communication. The Customer that is the contracting party to the Agreement shall remain responsible for coordinating all communication with FF under this DPA and be entitled to make and receive any communication in relation to this DPA on behalf of its Authorized Affiliates.

9.3 Rights of Authorized Affiliates. Where an Authorized Affiliate becomes a party to the DPA with FF, it shall to the extent required under applicable Data Protection Laws and Regulations be entitled to exercise the rights and seek remedies under this DPA, subject to the following:

9.3.1 Except where applicable Data Protection Laws and Regulations require the Authorized Affiliate to exercise a right or seek any remedy under this DPA against FF directly by itself, the parties agree that (i) solely the Customer that is the contracting party to the Agreement shall exercise any such right or seek any such remedy on behalf of the Authorized Affiliate, and (ii) the Customer that is the contracting party to the Agreement shall exercise any such rights under this DPA not separately for each Authorized Affiliate individually but in a combined manner for all of its Authorized Affiliates together (as set forth, for example, in Clause 9.3.2, below).

9.3.2 The Customer that is the contracting party to the Agreement shall, when carrying out an on-site audit of the procedures relevant to the protection of Personal Data, take all reasonable measures to limit any impact on FF and its Sub-Processors by combining, to the extent reasonable possible, several audit requests carried out on behalf of different Authorized Affiliates in one single audit.

10. LIMITATION OF LIABILITY

Each party's and all of its Affiliates' liability, taken together in the aggregate, arising out of or related to this DPA, and all DPAs between Authorized Affiliates and FF, whether in contract, tort or under any other theory of liability, is subject

to the "Limitation of Liability" clause of the Agreement, and any reference in such clause to the liability of a party means the aggregate liability of that party and all of its Affiliates under the Agreement and all DPAs together.

For the avoidance of doubt, FF's and its Affiliates' total liability for all claims from the Customer and all of its Authorized Affiliates arising out of or related to the Agreement and each DPA shall apply in the aggregate for all claims under both the Agreement and all DPAs established under this Agreement, including by Customer and all Authorized Affiliates, and, in particular, shall not be understood to apply individually and severally to Customer and/or to any Authorized Affiliate that is a contractual party to any such DPA. Also for the avoidance of doubt, each reference to the DPA in this DPA means this DPA including its Schedules and any Appendices thereto.

11. EUROPE-SPECIFIC PROVISIONS

11.1 GDPR. With effect from 25 May 2018, FF will Process Personal Data in accordance with the GDPR requirements directly applicable to FF's provision of its Services.

With effect from 25 May 2018, upon Customer's request, FF shall provide Customer with reasonable cooperation and assistance needed to fulfil Customer's obligation under the GDPR to carry out a data protection impact assessment related to Customer's use of the Services, to the extent Customer does not otherwise have access to the relevant information, and to the extent such information is available to FF. FF shall provide reasonable assistance to Customer in the cooperation or prior consultation with the Supervisory Authority in the performance of its tasks relating to this Clause 9.2, to the extent required under the GDPR.

11.3 Transfer Mechanisms for Data Transfers. Subject to the terms of this DPA (including Clauses 11.4 and 11.5 below), FF makes available the transfer mechanisms listed below which shall apply, in the order of precedence as set out below in this Clause 11.3, to any online transfers of Personal Data under this DPA from the European Union, the European Economic Area and/or their member states, Switzerland and the United Kingdom to countries which do not ensure an adequate level of data protection within the meaning of Data Protection Laws and Regulations of the foregoing territories, to the extent such transfers are subject to such Data Protection Laws and Regulations:

11.5.8 Copies of Sub-processor Agreements. The parties agree that the copies of the Sub-processor agreements that must be provided by FF to Customer pursuant to Clause 5(j) of the Standard Contractual Clauses may have all commercial information, or clauses unrelated to the Standard Contractual Clauses or their equivalent, removed by FF beforehand; and, that such copies will be provided by FF, in a manner to be determined in its discretion, only upon the written request of Customer.

11.5.9 Audits and Certifications. The parties agree that the audits described in Clause 5(f), Clause 11 and Clause 12(2) of the Standard Contractual Clauses shall be carried out in accordance with the following specifications: Upon Customer's request, and subject to the confidentiality obligations set forth in the Agreement, FF shall make available to Customer (or Customer's independent, third-party auditor that is not a competitor of FF and that has signed nondisclosure agreement reasonably acceptable to FF) information regarding the FF Group's compliance with the obligations set forth in this DPA in the form of FF's SOC 1 report and, for its Sub-processors salesforce.com, inc. and its subsidiaries, the third-party certifications and audits set forth in the salesforce.com Security, Privacy and Architecture Documentation located at https://help.salesforce.com/articleView?id=Trust-and-Compliance-Documentation&language=en_US&type=1 to the extent salesforce.com makes them generally available to its customers. Obligations of the data exporter

The data exporter agrees and warrants:

- (a) that the processing, including the transfer itself, of the personal data has been and will continue to be carried out in accordance with the relevant provisions of the applicable data protection law (and, where applicable, has been notified to the relevant authorities of the Member State where the data exporter is established) and does not violate the relevant provisions of that State;

- (b) that it has instructed and throughout the duration of the personal data processing services will instruct the data importer to process the personal data transferred only on the data exporter's behalf and in accordance with the applicable data protection law and the Clauses;
- (c) that the data importer will provide sufficient guarantees in respect of the technical and organisational security measures specified in Appendix 2 to this contract;
- (d) that after assessment of the requirements of the applicable data protection law, the security measures are appropriate to protect personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, in particular where the processing involves the transmission of data over a network, and against all other unlawful forms of processing, and that these measures ensure a level of security appropriate to the risks presented by the processing and the nature of the data to be protected having regard to the state of the art and the cost of their implementation;
- (e) that it will ensure compliance with the security measures;
- (f) that, if the transfer involves special categories of data, the data subject has been informed or will be informed before, or as soon as possible after, the transfer that its data could be transmitted to a third country not providing adequate protection within the meaning of Directive 95/46/EC;
- (g) to forward any notification received from the data importer or any subprocessor pursuant to Clause 5(b) and Clause 8(3) to the data protection supervisory authority if the data exporter decides to continue the transfer or to lift the suspension;
- (h) to make available to the data subjects upon request a copy of the Clauses, with the exception of Appendix 2, and a summary description of the security measures, as well as a copy of any contract for subprocessing services which has to be made in accordance with the Clauses, unless the Clauses or the contract contain commercial information, in which case it may remove such commercial information;
- (i) that, in the event of subprocessing, the processing activity is carried out in accordance with Clause 11 by a subprocessor providing at least the same level of protection for the personal data and the rights of data subject as the data importer under the Clauses; and
- (j) that it will ensure compliance with Clause 4(a) to (i).

Clause 5

Obligations of the data importer

The data importer agrees and warrants:

- (a) to process the personal data only on behalf of the data exporter and in compliance with its instructions and the Clauses; if it cannot provide such compliance for whatever reasons, it agrees to inform promptly the data exporter of its inability to comply, in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract;
- (b) that it has no reason to believe that the legislation applicable to it prevents it from fulfilling the instructions received from the data exporter and its obligations under the contract and that in the event of a change in this legislation which is likely to have a substantial adverse effect on the warranties and obligations provided by the Clauses, it will promptly notify the change to the data exporter as soon as it is aware, in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract;
- (c) that it has implemented the technical and organisational security measures specified in Appendix 2 before processing the personal data transferred;
- (d) that it will promptly notify the data exporter about:
 - (i) any legally binding request for disclosure of the personal data by a law enforcement authority unless otherwise prohibited, such as a prohibition under criminal law to preserve the confidentiality of a law enforcement investigation,

- (ii) any accidental or unauthorised access, and
 - (iii) any request received directly from the data subjects without responding to that request, unless it has been otherwise authorised to do so;
- (e) to deal promptly and properly with all inquiries from the data exporter relating to its processing of the personal data subject to the transfer and to abide by the advice of the supervisory authority with regard to the processing of the data transferred;
 - (f) at the request of the data exporter to submit its data processing facilities for audit of the processing activities covered by the Clauses which shall be carried out by the data exporter or an inspection body composed of independent members and in possession of the required professional qualifications bound by a duty of confidentiality, selected by the data exporter, where applicable, in agreement with the supervisory authority;
 - (g) to make available to the data subject upon request a copy of the Clauses, or any existing contract for subprocessing, unless the Clauses or contract contain commercial information, in which case it may remove such commercial information, with the exception of Appendix 2 which shall be replaced by a summary description of the security measures in those cases where the data subject is unable to obtain a copy from the data exporter;
 - (h) that, in the event of subprocessing, it has previously informed the data exporter and obtained its prior written consent;
 - (i) that the processing services by the subprocessor will be carried out in accordance with Clause 11; and
 - (j) to send promptly a copy of any subprocessor agreement it concludes under the Clauses to the data exporter.

Clause 6

Liability

1. The parties agree that any data subject, who has suffered damage as a result of any breach of the obligations referred to in Clause 3 or in Clause 11 by any party or subprocessor is entitled to receive compensation from the data exporter for the damage suffered.
2. If a data subject is not able to bring a claim for compensation in accordance with paragraph 1 against the data exporter, arising out of a breach by the data importer or his subprocessor of any of their obligations referred to in Clause 3 or in Clause 11, because the data exporter has factually disappeared or ceased to exist in law or has become insolvent, the data importer agrees that the data subject may issue a claim against the data importer as if it were the data exporter, unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law, in which case the data subject can enforce its rights against such entity.

The data importer may not rely on a breach by a subprocessor of its obligations in order to avoid its own liabilities.

3. If a data subject is not able to bring a claim against the data exporter or the data importer referred to in paragraphs 1 and 2, arising out of a breach by the subprocessor of any of their obligations referred to in Clause 3 or in Clause 11 because both the data exporter and the data importer have factually disappeared or ceased to exist in law or have become insolvent, the subprocessor agrees that the data subject may issue a claim against the data subprocessor with regard to its own processing operations under the Clauses as if it were the data exporter or the data importer, unless any successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law, in which case the data subject can enforce its rights against such entity. The liability of the subprocessor shall be limited to its own processing operations under the Clauses.

Clause 7

Mediation and jurisdiction

1. The data importer agrees that if the data subject invokes against it third-party beneficiary rights and/or claims compensation for damages under the Clauses, the data importer will accept the decision of the data subject:

- (a) to refer the dispute to mediation, by an independent person or, where applicable, by the supervisory authority;
 - (b) to refer the dispute to the courts in the Member State in which the data exporter is established.
2. The parties agree that the choice made by the data subject will not prejudice its substantive or procedural rights to seek remedies in accordance with other provisions of national or international law.

Clause 8

Cooperation with supervisory authorities

- 1. The data exporter agrees to deposit a copy of this contract with the supervisory authority if it so requests or if such deposit is required under the applicable data protection law.
- 2. The parties agree that the supervisory authority has the right to conduct an audit of the data importer, and of any subprocessor, which has the same scope and is subject to the same conditions as would apply to an audit of the data exporter under the applicable data protection law.
- 3. The data importer shall promptly inform the data exporter about the existence of legislation applicable to it or any subprocessor preventing the conduct of an audit of the data importer, or any subprocessor, pursuant to paragraph 2. In such a case the data exporter shall be entitled to take the measures foreseen in Clause 5 (b).

Clause 9

Governing Law

The Clauses shall be governed by the law of the Member State in which the data exporter is established.

Clause 10

Variation of the contract

The parties undertake not to vary or modify the Clauses. This does not preclude the parties from adding clauses on business related issues where required as long as they do not contradict the Clause.

Clause 11

Subprocessing

- 1. The data importer shall not subcontract any of its processing operations performed on behalf of the data exporter under the Clauses without the prior written consent of the data exporter. Where the data importer subcontracts its obligations under the Clauses, with the consent of the data exporter, it shall do so only by way of a written agreement with the subprocessor which imposes the same obligations on the subprocessor as are imposed on the data importer under the Clauses. Where the subprocessor fails to fulfill its data protection obligations under such written agreement the data importer shall remain fully liable to the data exporter for the performance of the subprocessor's obligations under such agreement.
- 2. The prior written contract between the data importer and the subprocessor shall also provide for a third-party beneficiary clause as laid down in Clause 3 for cases where the data subject is not able to bring the claim for compensation referred to in paragraph 1 of Clause 6 against the data exporter or the data importer because they have factually disappeared or have ceased to exist in law or have become insolvent and no successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law. Such third-party liability of the subprocessor shall be limited to its own processing operations under the Clauses.
- 3. The provisions relating to data protection aspects for subprocessing of the contract referred to in paragraph 1 shall be governed by the law of the Member State in which the data exporter is established.

- 4. The data exporter shall keep a list of subprocessing agreements concluded under the Clauses and notified by the data importer pursuant to Clause 5(j), which shall be updated at least once a year. The list shall be available to the data exporter's data protection supervisory authority.

Clause 12

Obligation after the termination of personal data processing services

- 1. The parties agree that on the termination of the provision of data processing services, the data importer and the subprocessor shall, at the choice of the data exporter, return all the personal data transferred and the copies thereof to the data exporter or shall destroy all the personal data and certify to the data exporter that it has done so, unless legislation imposed upon the data importer prevents it from returning or destroying all or part of the personal data transferred. In that case, the data importer warrants that it will guarantee the confidentiality of the personal data transferred and will not actively process the personal data transferred anymore.
- 2. The data importer and the subprocessor warrant that upon request of the data exporter and/or of the supervisory authority, it will submit its data processing facilities for an audit of the measures referred to in paragraph 1.
